## Dial It In

Label: [TreatedandReleasedRecords.com](http://TreatedandReleasedRecords.com)

Release Date: April 1<sup>st</sup>, 2018

The Rev. features a few friends on this latest record. **Chris Parker** (Bob Dylan, Joe Cocker, Paul Butterfield Blues Band, John Hammond Jr.) lends his skills on the skins, providing the beats for all the tracks. The Rev. is joined on Track 2 by **Hugh Pool** (who also recorded and mixed the album) on harmonica, rocking the country blues of *Jesus on the Mainline* into the modern age with a new raw blues version of Depeche Mode's, *Personal Jesus*. Track 3 the Rev is joined by **Mark Karan** (Bob Weir, Ratdog) on lead guitar for an original sorrowful San Fran lament, *Hippie Bluesman Blues*. Track 4 **Garrett Dutton** (G Love and Special Sauce) blows harmonica and sings backing vocals with the amazing **Hazel Miller**, adding a hint of hip-hop to make for a soulful sounding infectious title track - *Dial It In!* Track 8 **Brian Mitchell** (BB King, Levon Helm, Al Green) tickles the ivories, and Track 9 **Jay Collins** (Greg Allman) gets a little jazzy with the Bob Dylan epic adding a Morphine type tone with tenor and baritone saxes. The Rev. then brings it back home and pays tribute to Blind Willie Johnson with a version of *Soul of a Man*, adding a few new verses. The whole album is Blues based but with a bit of, as Jorma Kaukonen says, a 'psychedelic folk rock' flavor. This project was recorded at Excello studios in Brooklyn, NY to 2 inch tape and mixed to 1 inch tape. The record will be released on vinyl making it a true analog old school AAA project. In the interim enjoy this digital CD and May God Bless you and keep you until then - be well - peace.
